Proverbs 22:6

OUR PHILOSOPHY

THE BIBLE

The Bible is our source and guide. We believe the Bible is the inerrant Divinely inspired Word of God, that we are created in God's image according to Gen. 1:26-27

JESUS CHRIST

We are compelled to propagate the Gospel of Jesus Christ and further the Kingdom of God. We provide high quality Christ centered Biblical and Academic Christian Education, as we endeavor to "Train up a child in the way he should go: and when he is old, he will not depart from it." Proverbs 22:6

TO LOVE

1 John 4:7 states, "Beloved, let us love one another: for love is of God; and every one that loveth is born of God, and knoweth God." We are duty-bound to exhibit and teach the love of Jesus Christ. We will instruct students to love Jesus Christ as Lord and Savior, to love their parents, and to respect authority. Our biblically based curriculum will build character and individualized academic success.

TO STUDY

The Bible admonishes us as believers in God and followers of the Word of God to "Study to show yourself approved unto God, a workman that needeth not be ashamed, rightly dividing the Word of Truth." 2 Timothy 2:15.

TO EDUCATE

We have a responsibility to God to educate our children and future generations on how to accept and serve Jesus Christ as the ruling authority of the world. King David encouraged his son in 1 Chronicles 28:9 saying, "And thou Solomon my son, know thou the God of thy father, and serve Him with a perfect heart and a willing mind."

MISSION

At Maranatha Christian School our mission is to educate future servants in the Lord's work. We acknowledge that His Word is an integral part of a child's development. We believe that in order to excel a child's faith, character, and academics it should be built upon the solid foundation of the Word of God.

With God's Word as the focal point, we teach Literacy, Bible, Mathematics, Science, Social Studies, Arts, and Technology to grades K5-5. We are striving to make the Spirit of Christ evident in our students' actions, beliefs, behaviors, and values. In partnership with the school, families and community, our goal is to equip our scholars with the attitude, skills, and knowledge required to succeed in higher education and beyond.

CURRICULUM

Maranatha Christian School offers a quality education for young learners taught from the Alpha & Omega Publications curriculum.

ADMISSION

All students grades K5-5 attending MCS will be administered a placement test regardless of their current grade, to project academic skills or need for improvement in various subjects. Parent(s) approval required.

MCS will allow 4-year-olds to be admitted to the kindergarten, upon the request by the parent/guardian only if the school determines that the child demonstrates capabilities warranting early admission.
